Package Contents

The RB750r2 (hEX lite) is a small five port ethernet router in a nice plastic case. Its price is lower than the RouterOS license alone - there simply is no choice when it comes to managing your wired home network, the RB750r2 (hEX lite) has it all. Not only is it affordable, small, good looking and easy to use - It's probably the most affordable MPLS capable router on the market! With its compact design and clean looks, it will fit

## Routers: MikroTik Routerboard RB750r2 hEX Lite

---

perfectly into any SOHO environment. Box contains RB750r2 in a plastic case, and AU/NZ power supply.
